

Saumya Jain

Product Designer

I am an inquisitive designer, learning to empathize to create meaningful products and experiences. When I'm not designing, I like to dance, photograph the world around me, and immerse myself in songs. Pursuing my passions has helped me translate these subtle nuances of art into my designs.

EXPERIENCE

Kaeros

May 2022 - August 2022

Product Design Intern

- Led the design and development of the brand's new line "Kaeros Home" which introduced new age leather furnishings centered around the brand's philosophy.
- Conducted market research and experimented with shapes, colors, and details to create a bold, eccentric, and zestful series of desk accessories for homes and offices.
- Incorporated functionality while maintaining the contemporary aesthetic in the design process and collaborating with manufacturing professionals.

Insecticides India Limited (IIL)

May 2021 - August 2021

UI & Graphic Design Intern

- Designed region-specific packaging labels based on market data to provide farmers precise and clear instructions for using the products suited to their needs.
- Redesigned the UI for the IIL mobile application to enhance the farmer's experience (UX) for getting access to vital information and updates.
- Gained new and wider perspective on farmers' challenges and led crucial consumer facing initiatives in the company by combining design and data.

Heart (Non Profit Organization)

2020 - 2021

Co-Founder

- Co-founded "Heart" - an art based charity initiative driven by my passion of creating and the idea of giving our hearts out to make others' hearts smile.
- Leveraged Instagram to spread our initiative's story beyond geographical boundaries and create an online marketplace to buy artwork that directly empowers others.
- Highlight of the major drives that I organized:
 - Aug 2020 - Distributed reusable sanitary napkins to women living in the slums.
 - Sep 2020 - Donated proceeds to Army Wives Welfare Organization.
 - April 2021 - Provided nutritious ration kits to families suffering in the pandemic.

Performing Arts Society, Delhi Public School

2018 - 2020

Director

- Lead the performing arts division of my school which was the umbrella organization consisting of various forms of dance and music clubs.
- Mediated between the school administration and the clubs while supervising and directing initiatives by the society.
- Hosted an annual performing arts festival with over 700 participants from across the country by working with various cross-functional teams and representatives.

Imperial Fernando Ballet Company (IFBC)
